THE ROAD NOT TAKEN

Two roads diverged in a yellow wood,
And sorry I could not travel both
And be one traveler, long I stood
And looked down one as far as I could
To where it bent in the undergrowth;

Then took the other, as just as fair,
And having perhaps the better claim,
Because it was grassy and wanted wear;
Though as for that, the passing there
Had worn them really about the same,

And both that morning equally lay
In leaves no step had trodden black.
Oh! I kept the first for another day!
Yet knowing how way leads on to way,
I doubted if I should ever come back.

I shall be telling this with a sigh
Somewhere ages and ages hence:
Two roads diverged in a wood, and I -
I took the one less traveled by,
And that has made all the difference.

Dedication

We the graduating Seniors of 1976 wish to dedicate our yearbook to Myron and Byron Wannamaker. We are all happy that we did have a few years together to share happiness. The memories of Myron and Byron will always be with us.

We would also like to salute the Bicentennial Year of 1976 by including pictures which depict the American Revolution.

No man is an island.

76

The 200th Anniversary Of The American Revolution

Working hard boys?

We're all together again.

We just love S.H.

I think she's laughing at my hat.

She's asleep and she's not even in class.

Life - so they say
Is but a game and they let it slip away
Love - like the Autumn sun
Should be dying but it's only just begun
Like the twilight in the road up ahead
They don't see just where we're goin'
And all the secrets in the universe
Whisper in our ears and all the years will come and go
And take us up always up

We may never pass this way again
We may never pass this way again
We may never pass this way again

Dreams - so they say
Are for the fools and they let them drift away
Peace - like the silent dove
Should be flyin' but it's only just begun
We must gather all our courage
Sail our ships out on the open sea
Cast away our fears and all the years will come and go
And take us up always up

We may never pass this way again
We may never pass this way again
We may never pass this way again

So I wanna laugh while the laughin' is easy
I wanna cry if it makes it worthwhile
I may never pass this way again
That's why I want it with you
'Cause you make me feel like I'm more than
A friend
Like I'm the journey and you're the journey's end
I may never pass this way again
That's why I want it with you baby

We may never pass this way again
We may never pass this way again
We may never pass this way again
We may never pass this way again
